

# Simplify How You Manage Your Practice with Rocket Matter

Founded in 2007 as the first cloud-based legal software and awarded by Forbes as one of the best time and billing platforms in the industry, Rocket Matter has helped hundreds of customers streamline their operations and increase their profitability. Rocket Matter provides you with all the tools you need to become more automated, more profitable, and more on top of your business.

## OPTIMIZE YOUR BILLING

Capture time and expenses effortlessly with multiple timers. With batch billing and bulk editing, you can save time and money while staying productive.

## MANAGE YOUR CASEWORK

Automate and streamline your workflows and tasks with fully customizable matter templates, allowing you to stay on top of open cases.

## GET PAID QUICKLY

Our credit card and eCheck processing ensures you'll get paid within 24 hours. Set up recurring billing and payment plans to maximize cash flow.

## STAY ON SCHEDULE

Access your firm's calendar from anywhere and never miss a deadline. You can easily create, track, and update tasks to keep your practice on track.

## GO PAPERLESS

Enjoy unlimited document storage, upload documents directly to your matters, and securely share them through our client portal.

## KNOW YOUR NUMBERS

Manage your finances quickly and analyze your data with our Advanced Analytics reports to help you drive profits and run your practice efficiently.

## CONNECT WITH YOUR FIRM

With our secure internal messaging feature, Communicator, you can chat with colleagues, share files, host video conferences, and associate messages with matters.

## WORK FROM ANYWHERE

Access your firm's info on the go. Track time, chat with colleagues, look up critical matter information, or see a preview of a document no matter where you are.
